Read each row left to right. Blows are written above the arrows, footwork below in italics.
Each part opens in the guard where the last one ended, shown faded; a long part carries on to the next row.
A red mark ends a line on a blow that lands, with no named guard after it.
Parts marked "from the text" were never filmed; they follow Marozzo's text in the manner of the filmed parts.
*Figures are Marozzo's own woodcuts from the 1536 edition. * Guardia alta has no plate in Book III and is drawn after his style.*
