From guardia d'intrare in largo passo against his porta di ferro alta, seven ways in:

high guards · porta di ferro guards · guardia d'intrare · low guards · ends on a blow

Blows above each arrow, footwork below in italics. Each part begins in the guard where the last one ended. A long part carries on to the next row from its last guard, shown faded.

che tiri e intri: a mandritto tondo or roverso trivellato carried straight into guardia d'intrare.
ponta incrosiata: a crossed thrust: the arms together, the point to the face.
the turns: volta dritta and volta manca, ending in guardia d'intrare in largo passo.
